

CHIPSI Kids – Animal Care Bingo

Animal care should be fun! Tick off what you have achieved this week. Every row or column full of ticks is a little bingo win for your animal!

 Water changed	 Fresh food given	 Enclosure cleaned	 Talked to parents about animals	 Animal observed
 Retreat checked	 Tried out new material	 Quietly observed	 Animal stroked	 Short routine completed
 Food hidden	 Animal drawn	 Bedding supplemented	 Remained quiet with the animal	 Playing animals seen
 Learned something new	 Photo taken	 Been particularly friendly	 Animal thanks with a look/gesture	 Time spent with animals
 Drinking station cleaned	 Animal moment written down	 New hiding place discovered	 Shared with siblings	 Week done

Here's how it works: Mark your box or draw a symbol when you have completed a task. A full row (horizontal, vertical or diagonal) = **Bingo!**
When you have completed everything, your animal will say **THANK YOU!**
